

A GOVERNED TRANSFORMATION, PERFORMED BY AN AGENT

NOVA G4 — the lending need, against a realization the agent had itself built from the specification

The agent decided: how to model, structure, realize and schedule.
It could not decide what was needed, what was permitted, or what became the baseline.

Twenty-one demonstrations covered this episode at first delivery; a twenty-second was added after the \$8.4 finding.

Lanes: HUMAN establishes · AGENT performs · GOVERNANCE determines admissibility. Arrows are observed transitions in this run.
